It was totally different from our norm. Growing up, the kids always get a cupcake cake with sprinkles and candles, but this time I was all about cupcakes! Can you believe it??? I don't really do cupcakes, but this time I made some! Yay! I wanted this cake to be soft and cakey so I went with a butter and brown sugar base. I decided to add raspberry jam to the filling because that was the only flavor that came to mind. It was an awesome flavor combination, especially when the jam softened and almost turned into a jam-stuffed cupcake. Overall, the cake was great and looked so good on our dining room table! But then my real favorite, the cupcakes, came up. With buttery cupcakes, fresh vanilla bean ice-cream, fluffy marshmallow frosting with a hint of raspberry, d0c515b9f4
